Editorial team. General Editors: David Bourget (Western Ontario) David Chalmers (ANU, NYU) Area Editors: David Bourget Gwen Bradford Phenomenology and Self-Understanding in the Modern World ... For the first time in his history man has obtained the power to destroy life completely, to make it finite. Our great delusion is our repeated attempt to create a mythology based on the technological mastery of the world and human life. Towards a Phenomenology of Objects: Husserl and the Life-World Towards a Phenomenology of Objects: Husserl and the Life-World Peter R. Costello ... in his book Human Experience to show how Husserl's life-world as the pri- ... body, like a smaller Russian doll, nests within the life-world. The life-world and my body, then, are both given a priori as the same kind of whole ... Edmund Husserl's Contributions to Phenomenology Edmund Husserl's Contributions to Phenomenology. At that time, there were some philosophers who were idealists and some who were material realists. The idealists of the day, often times being rationalists, tended to think of reality as ultimately being in the mind and that everything that one perceives is entirely mental.
