Rated 5 out of 5 by Madjack from Great welder at great price from Jegs. Am using this welder for 1/8" tube steel and plug welds. Very pleased with the quality of welds. There is not a lot of info in the manual regarding what settings to use, so you need to go on line and use charts from other mig 180s to get a starting point for amperage and wire speed settings. Rated 4 out of 5 by 64chevelle from Fits OK, but it's great considering the price I used to professionally make and install exhaust almost daily. This system fits OK, definitely have to make cuts. It's a system thats bent and set to fit 9 years of gm cars, some longer than others. So of course you'll see pics posted on here of installed pipes looking sloppy.
