Four-leaf clover - Wikipedia The four-leaf clover is a rare variation of the common three-leaf clover. According to traditional superstition, such clovers bring good luck, though it is not clear when or how that superstition got started. The earliest mention of "Fower-leafed or purple grasse" is from 1640 and simply says that it was kept in gardens because it was "good for the purples in children or others". Naming a genre is as much art as science. Marquez writes stories which, except for trickles of blood crawling the streets and the like, would be the world we really live in. Fantasy feels like it should mean that it's clearly not the world we live in, despite any similarities.. Of course, in the end it comes down to satisfying the expectations of your desired fandom.
