The General Gynaecologist An Endangered Species - Is the general gynaecologist an endangered species? – O&G ... This issue of O&G Magazine asks the question: 'Is the general gynaecologist an endangered species?' If indeed we are endangered, we will not become extinct by the surgeons taking the care of women from us. Rather, it will be the division of gynaecology into ever more subspecialties and the reservation of techniques and operations by each of them.
