
The Scramble For Art In Central Africa

The Scramble For Art In Central Africa - Scramble for Africa - Wikipedia The Scramble for Africa was the occupation, division, and colonisation of African territory by Western European powers during the period of the New Imperialism, between 1881 and 1914. In 1870, only 10 percent of Africa was under formal European control; by 1914 it had increased to almost 90 percent of the continent, with only Ethiopia (Abyssinia) and Liberia remaining independent.
