The Search For Deliberative Democracy In China - Participatory democracy - Wikipedia
Participatory democracy emphasizes the broad participation of constituents in the direction and operation of political systems. Etymological roots of democracy (Greek demos and kratos) imply that the people are in power and thus that all democracies are participatory. However, participatory democracy tends to advocate more involved forms of citizen participation and greater political ... Sun, 21 Apr 2019 11:40:00 GMT
